Frauenzimmer ZWEI

Aglaia Konrad (* 1960, l. in Brüssel Brussels)

"The city has moved into the bed".
Beatriz Colomina, in *The Century of the Bed*, 2014

"I want to wake up in that city that doesn't sleep".
Frank Sinatra, in *New York, New York*, 1977

Die folgende Liste mit 675 City-Begriffen entstand in den Nullerjahren und wurde von Aglaia Konrad 2005 unter dem Titel *Some Cities* als zehntes Heft der zwölfteiligen Editionsreihe *Copy Cities* herausgebracht. In ihrer durchaus ironisch betitelten Ausstellung *Frauenzimmer ZWEI* zeigt sie eine neue Rauminstallation, Fotografien aus den Serien *Shaping Stones* und *Undecided Frames* sowie einen aktuellen Film.

Moritz Küng, Kurator (* 1961 in Luzern / CH, wohnt in Barcelona)

The following list of 675 city terms originated in the early 2000s and was released by Aglaia Konrad in 2005 under the title *Some Cities* as the tenth issue of twelve in the artists' book series *Copy Cities*. Her exhibition, quite ironically titled *Frauenzimmer ZWEI*, presents photographs from the series "Shaping Stones" and "Undecided Frames" and a recent film, next to a new spatial installation.

Moritz Küng, curator (*1961 in Lucerne / CH, lives in Barcelona)
